- The carriage of certain hazardous materials like aerosols, fireworks and inflammable liquids aboard the aircraft is forbidden. Personal motorised vehicles such as hoverboards, mini-Segways and smart or self-balancing wheels, are also forbidden on our flights as they contain large lithium batteries. For safety reasons, we can't accept these as part of checked-in baggage or as hand luggage. If you do not understand this restriction, further information may be obtained from your airline.

The United Arab Emirates (UAE) has a very strict, zero-tolerance, anti-drugs policy. All airports within the UAE conduct thorough searches using highly sensitive equipment. Possession of any amounts of illegal drugs by travellers entering or transiting the UAE will be subject to punishment.

- In case of tickets sold in Italy (through [emirates.com/IT](#), ticket offices or Emirates call center or travel agencies), passengers who have missed their first flight or didn't use it for any reason, but would still like to take the next flight (in case of over 12 hours stopover) or the return flight as originally booked without any change of the fare, must inform Emirates within 24 hours from the time of the departure of the unused flight, by calling exclusively the phone number +39 02 914 83383 or sending an email to [ROMRREK@emirates.com](mailto:ROMRREK@emirates.com). Make sure to call us at least 2 hours before your next flight, even if that falls within 24 hours from the first flight. Failing to do so, Emirates, subject to seats availability,

may charge the difference of the original fare and the highest fare in the same class at the time of ticket reissuance.
